

Snow Inzali

Assistant Property Manager

Snow is born and raised in Burma. She received her first diploma in college of Liberal Arts and Science in Burma and transferred to California State University, Northridge where she received her Bachelor degree in Hospitality and Recreation Management. She has prior experience as a marketing intern, acquired a detailed understanding of latest marketing trends, and techniques paired with familiarity of job-related software. As a marketing intern, she planned and hosted marketing events, along with preparing reports and presentations. After graduation, she decided to go into the real estate field. Snow is an imaginative and creative team player, committed to resolving multifaceted issues despite challenges of changing priorities. On her free time she volunteers at animal shelters/ rescues and goes hiking.
